2. 2018 Meetings, all Tuesdays 10:00-11:00am: 3/6, 5/1, 7/3, 9/18, 11/6

Members in attendance had no conflicts with the upcoming meeting schedule. Camille will host the May 1st meeting at Mann Library (Cornell) and Rebecca will look into possibly hosting the July 3 meeting at CMOG's Rakow Library.

We also discussed Sarah Maximiek leaving the committee (after 12 years of service!) We will do a better job of recognizing committee service at the annual All-Committee meeting in November. Sarah will be replaced by Julia Glauberman- also at Binghamton University.

5. [2018 Events Calendar](#) (Google Sheet) new themes, activities, articles.

We reviewed the Google sheet. The group likes this format and will contribute ideas as they come up.

6. [Educational Services Committee 2018 Activities](#)

These were reviewed. The Education needs assessment will be the focus of the next two meetings (developing the survey, then reviewing results). We will look at the Education plan later in the year.

7. Educational Needs Assessment for 2018- Next meeting

8. Develop a tool to share regional experts and speakers

I will possibly put together a Google Form for this (rather than a Google Spreadsheet). It will include questions on presentations, workshops, posters (both completed and proposed) as well as space to include links to materials and a question on whether they are interested in being mentors on subject specialties. I will send this to the group before sending it out to the membership as a whole. We discussed issues of privacy regarding this information.

9. Around the table

Rebecca- The Rakow Library switched to Alma Primo and went live on December 19th. Rebecca will be presenting on Rakow Library resources for SCRLC's Primary Partners webinar series. Rebecca is also hosting an art & feminism Wikipedia edit-a-thon.

Amanda C.- Delhi classes are starting up again. Amanda has been hosting online workshops for the Masters in Nursing students using a mixed or flipped format.

Kelly- She got married (Congratulations Kelly!) and is now working remotely for Cornell from Nashville. Cornell is in a peak hiring season and there a number of jobs currently open.

Brian- The Four County website is being revamped by someone from their automation department. The G.F. Johnson Library is looking for a director. With the SCRLC RBDB grant, they will be focusing on bringing more libraries online. The current project is to bring Bright Hill Press online and into the system as part of the Franklin Free Library. They are cataloging a lot of individual items produced by Bright Hill.

Eric- Students are coming back for Spring Semester. TC3 will hold another Human Library Event in April and are preparing for that. Due to continued low enrollment at TC3, they are doing their best to avoid layoffs. Two people will be retiring soon and will likely not be replaced.

Recorded by: Jessica Philippe (SCRLC)

Date of next meeting: Tuesday, March 6 at SCLRC.
