

## Educational Services Advisory Committee Minutes

7/31/2024, 1:00pm

In person meeting at The [Cornell Lab of Ornithology/Sapsucker Woods](#)

**Present:** Brian D. Lee (4CLS); Simone Clunie (BU); Jessica Philippe; Mary-Carol Lindbloom

**Excused:** Laura Kuo (IC); Lauren Delaubell (SUNY Cortland); Megan Benson (BU); Jenny Shonk (FLLS)

[Minutes from April 4, 2024](#)

### Around the table updates via email/ in person

**Jenny:** FLLS is hosting an in-person, hands-on Book Repair workshop on August 7 with Marianne Swanberry Hanley of Syracuse University. We are offering *Outreach at Any Size* (webinar) with Suzanne Macaulay on August 22 (rescheduled from June). Lastly, I am scheduling a Difficult Conversations/Storytelling webinar with Mike Bishop for October. Our March Difficult Conversations session with Courtney Breese was so popular, we thought it would be exciting to look at it from a different perspective with a focus on DEI.

**Brian:** 4CLS does fewer in person visits to member libraries during the summer because the libraries are so busy during those months. Brian has a new genealogy workshop that he's been teaching.

**Simone:** Students start classes on August 20th at BU. Simone shared a potential speaker for our annual meeting and she will follow up about a potential webinar on the African American Subject Funnel Project. Thanks Simone!
