

2023 SCRLC Digitization Grant Final Report Seneca Falls Library

Seneca Falls Library was awarded \$1,457 to digitize early historical documents about the canal and add them to New York Heritage.

SCRLC staff collected the materials, scanned them, edited them, and uploaded them. The resulting materials are available at:

<https://nyheritage.org/collections/cayuga-and-seneca-canal-collection>

In total, 331 objects were digitized and published. There were several bound books of correspondence and ledgers, and several hundred loose receipts and notes. The physical materials were donated to the Seneca Museum for Waterways and Industry.
