April Meeting Minutes – Approved as distributed

Around the Table

Caitlin shared that she has nothing new to report.

Deborah shared that the OCLC Community meeting in Syracuse was a success and they are happy that Worldshare is working more smoothly.

Sarah Trencansky shared that they have no updates and she's been enjoying the nice weather.

Virgilio shared that he is enjoying the weather and using accrued time so that he has reduced hours this month.

The New BARC Update

Christine shared that 20 libraries have requested the credentials so far. As of 6/10 we have processed 122 requests with 73 filled and 17 unfilled leaving and 22 in process. That's a fill rate of about 81%.

Christine also shared that there will be a BARC training meeting for STLS member on June 23.

Accessibility

There was discussion about the change in the deadline for meeting the Title II Requirements and ILL and steps that everyone is taking to meet them. Virgilio said that IC used OCR for all ILL items. While SCRLC isn't required to meet them, many of our members are and so we want to be on

top of this requirement so we can provide our members with the most recent information.

Resource Sharing Joint Meeting for 2025/2026

Christine shared the following statistics for the June 3 online event. We had 120 registered, there were 72 unique attendees, and 46 were still online at 3:57. 8 evaluations forms were completed and returned with all sharing that it was good to excellent ratings. Christine also noted that Sophie is leaving CLRC and so there will be a new partner with CLC next season.

Meeting schedule for 2026/2027
