Educational Services Advisory Committee Meeting Wednesday, October 12, 2022 10:00 AM Minutes

Present: Laura Kuo (Ithaca College), Megan Benson (Binghamton University), Mary-Carol Lindbloom. **Excused:** Brian Lee (4CLS), Jenny Shonk (FLLS), and Lauren Delaube (SUNY Cortland).

[Minutes from April 6](#) were reviewed.

Welcome & Introductions

- How is everyone? We did a very brief “Around the Table.”

The events since the last ESAC meeting were reviewed. Mary-Carol asked if anyone had attended any of the events, and for their thoughts, if yes. Academic Libraries: one takeaway from the keynote speaker, Nicole Eversley-Bradwell, was that in terms of virtual vs. in-person CE, whom do you want at the table? Who are you losing at in-person events? Mary-Carol mentioned the snafu with the health literacy webinar. The webinar participants were very quiet, and then she and Claire discovered afterward that Zoom had turned off the chat feature deep within the software in the latest Zoom update. It is now set to “on,” but it is something we will check all the time in the future.
