Presiding.  
A. Nace called the meeting to order at 1:00 p.m.

R. Entlich requested that DOC.#2015-46 (April Bill Sheet) and DOC.#2015-47 (April Dashboard) be moved off the Consent Agenda.

Consent Agenda  
DOC.#2015 – 43, 44, 45, 48 – L. Chabot moved to approve; seconded by Al Oliveras. Approved with correction to committee name report listing.

Doc.#2015-46, 47  
Bill Sheet #10 and Dashboard April 2015. Bill sheet page 6: Information Technology funds – R. Entlich inquired as to the intended use of those funds since only 3% of the budgeted amount has been used MCL will get clarification and email the Board. On the Dashboard, R. Entlich suggested using the headings from page 7 of the bill sheet for the headings under the Current Program Funds table. C. O’Bryan moved to approve. Seconded by L. Beins. Approved.

Art Museum Gallery Index Subscription Approval.  
S. Weisman feels that the supporting document (DOC.#2015-51, Art Museum Image Gallery Statistics) does not reflect accurate usage and is therefore invalid as a supporting document for renewal and would like it removed from the record. L. Beins would like to see the same document remain in the record so it can be used as a comparison in the future. L. Beins moved to approve the subscription. Seconded by M. Smith. Approved.

Appointment of Plan of Service Task Force.  
Aprille Nace, Al Oliveras, Sue Bretscher and Jill Dixon will serve on the Plan of Service Task Force as Board of Trustees representatives. Motion to approve appointment of a Plan of Service
Task Force comprised of Board members, Advisory Committee members, and SCRLC members at large.
