

**Hospital Library Services Program (HLSP)  
Advisory Committee Meeting  
Wednesday, June 8, 2023; 2:00 p.m.**

**Notes**

**Attendance:**

Present – Monica Adhikari, Cayuga Medical Center; Robyn Fordyce, Lourdes Hospital; Laura Liepke, Binghamton University; Matt Roslund, Bassett Healthcare System; Danielle Zavada, UHS Wilson Medical Center

Absent - None

**Welcome and Introductions** – Laura Liepke is a new HLSP AC member (replacing Neyda Gilman) and so we went around the table for everyone to introduce themselves and where they work.

**May Meeting Minutes** – There were no changes to the minutes from the May meeting.

**HLSP Grant Program Reminder**

- Final Reports Due – Christine stated that the final reports are due and if anyone has any questions, please reach out to her so the final reports can be filed ASAP.

**Electronic Resources for 2023/2024**

- STAT!Ref – There was discussion about titles for STAT!Ref and the only title that was mentioned was Board Vitals. Christine will look into whether adding Board Vitals is possible. It was mentioned that if we need to remove titles, then the dictionary and red book are titles members either don't need or already have access to through other sources. It was mentioned that we do not know what the hospital members not represented on the HLSP AC would want to add or remove.

**HLSP Advisory Committee Activities for 2023/2024**

- Review of [Activities for 2022-2023](#)  
There was discussion about the activities for 2023/2024 and a review of the 2022/2023 activities. All activities for 2022/2023 were successfully completed

and everyone agreed the list looked good so the plan is to keep the same list of activities for 2023/2024.

**Lunch and Learn update** – The first lunch and learn was held on Wednesday, June 8<sup>th</sup> and was a success. Christine shared that several new topics were mentioned and asked that if anyone thought of a topic for future lunch and learns that they please share them with her.

**Other** – No other topics were raised.

**Around the Table** – Laura shared that she is working on collection development for the OP and Nursing programs which she is enjoying. Danielle is working on med staff training and they have a lot of new staff members so this is a time-consuming activity. Robyn is working on several projects including training new residents, preparing a new newsletter and working through the change from Ascension to Guthrie (Guthrie purchased Lourdes). Monica is working through the graduation of residents and onboarding of new residents. Matt is deeply involved with orientation for new residents.

**Next Meeting Date** – Christine will send out a Doodle Poll for the next meeting to take place sometime in August.

Notes taken by Christine.
