

## **Special Funds Policy**

The South Central Regional Library Council may establish special fund accounts as needed to receive and disburse monies for special projects by members or other library related organizations, where the special project will facilitate the work of the member or the organization, and where the project is related to the mission of the Council. Receipts and disbursements will follow normal Council accounting procedures and will be accounted for in monthly financial reports received by the Board of Trustees. The Council may charge administrative fees for this service.
